**Medical Release of Information/Request for Medical Records**

I, \_\_\_\_\_, give my permission for the release of  
Please print name

information regarding my pregnancy and its outcome, including monitoring my baby for up to 12 months of age, to the Fabry Pregnancy Registry. Amicus Therapeutics, Inc., the study sponsor, has contracted and is working with United BioSource (UBC) to conduct this research study.

You have the right to review your medical information prior to its release and you have the right to refuse to sign this authorization to prevent its release. Your health care provider(s) and UBC will ensure the information is maintained in a confidential manner. Your health care or payment for care will not be affected by whether or not you sign this authorization, however, you will not be included in the study if you do not sign.
